

- "QUESTION - RÉPONSE - ÉCHANGE"

Message reçu de Fred Sawyer, président de la North American Sundial Society (NASS).

These volumes collect my writing on Sundials into one bookshelf. (Most of these articles have appeared in The Compendium).

Sciatherics – by Fred Sawyer

Books on the History & Theory of Dialing

9 volumes of this series are now available. Each book is 6²x9², averaging 200+ pages on acid-free paper in hardcover or paperback (perfect bound) format. The books may be purchased at:

<https://bit.ly/SciathericsP> (paperback) or

<https://bit.ly/SciathericsH> (hardcover)

The new volume is:

Pleasure Of The Thing Done (2021-2024): Sciatherics 9

Still Seeking Vaulezard; Hybrid Peaucellier Sundials – Dial Designs You’ve Never Seen Before; Laying Toronto To Rest; Diodorus’ Meridian Construction; An Absolutely Laborious Procedure; Recalling Captain Bailey; Bailey’s Sundials... And How Made; An Interesting London Horizontal Sundial; Note On Another Vanished Dial In The Privy Garden, Whitehall; Sundial Limericks; A Dialist’s Parlor Trick (A Latitude-Independent Sundial); A Latitude Independent Hectemoral Sundial; Chhayashastri; The Columbia University Sun Ball; A Sundial Surprise In Nashville; An Azimuthal Volvele Sundial

For details on all 9 of the available books (and the discount available *through this Thursday only*), see the attached file.

To get a 30% discount on all printed matter, you must place your order on the website no later than *this Thursday, November 28, 2024*. The discount code to use is: 2024LULUVIP30. (this is Case-Sensitive!) *Be sure to enter the Discount Code in the ‘Your Cart’ display on the right of the screen before finalizing your order.*)

[If you do not wish to receive any more of these (infrequent) announcements, just hit reply, leaving the subject line unchanged, and putting nothing in the body of the email. Your address will be deleted from the mailing list.]

Best regards,

Fred Sawyer
